As part of the event, the organisers would love to display a small number of military vehicles to help bring the history to life.

Hedingham Castle Event Day 12th July 2026

Timeless at the Castle Event which takes place on Sunday, 12th July at Hedingham Castle. We are a local Charity based in Hatfield Peverel (Helen Rollason) and support local residents going through their Cancer journey by providing complimentary therapies and counselling free of charge.

We regularly hold Fundraising Events which are very popular and are essential for us to continue to provide services to our clients.

Our Timeless at the Castle Event is a vintage fair with classic cars, entertainment from the 50s and 60s, craft stalls, caterers, musicians etc. We normally charge classic and vintage cars to attend but would like your members to come along as an added attraction free of charge, on the basis that they stayed for the whole day i.e. arriving at 9am until the end at 4pm.

South Woodham Ferrers Fun Day 2nd August 2026

Jaguar Drivers Club Area 33 Day will be held in the grounds of the William De Ferrers School, South Woodham Ferrers on Sunday, 2nd August, 2026, and I would like to take this opportunity to extend a cordial invitation to you and your fellow members of the Historic Military Vehicles Association to come along and join in the fun.

You will note that there is a change in venue for our 2026 show and although possibly not as aesthetically pleasing as Hyde Hall, we feel this new venue will give us a number of options that will be not only be of benefit to the JDC, but also to attending clubs and the visiting public as well. One of those benefits is that the restriction on larger vehicles no longer applies, so if you wish to bring along your bigger army lorries you can.
